

International Meeting on Advanced Preservation in Liver Transplantation

 **February 19, 2026 (Hybrid Meeting)**

10:00 – Welcome

Dr. J. M. Campistol, CEO Hospital Clínic Barcelona
and **Dr. Laura Lladó**, President of Societat Catalana Trasplantament

10:15 – Ischemia-Free Liver Transplantation (IFLT)

Prof. Z. Guo (Sun Yat-sen University, China)

Moderator: **Prof. M. Gastaca** (Bilbao, Spain)

Discussion Panel: MDT – Morato, Musquera, Ruiz, Rivas, Bohils, Mata (Barcelona, Spain)

11:15 – Coffee Break

11:45 – Split and Reduced Liver Transplantation

Prof. X. Müller (Lyon, France)

Moderator: **Prof. E. Hidalgo** (Barcelona, Spain)

12:15 – Advanced Machine Perfusion Strategies

Prof. A. Weissenbacher (Innsbruck, Austria)

Moderator: **Dr. G. Chullo** (Cambridge, United Kingdom)

13:00 – Controlled Rewarming Techniques

Prof. R. Porte (Rotterdam, The Netherlands)

Moderator: **Prof. D. Calatayud** (Valencia, Spain)

14:00 – Lunch

15:00 – Artificial Intelligence in Advanced Perfusion

Prof. J. Briceño (Cordoba, Spain)

Moderator: **Prof. C. Gómez-Gavara** (Barcelona, Spain)

17:00 – 18:00 – Live Demonstration Sessions

OrganOx • XVIVO • AFERETICA • PARAGONIX

Moderator: **Prof. Y. Fundora**

February 20, 2026

Hands-on Laboratory Training

for MDT donation team, transplant coordinators, anesthesiologists, surgeons, and perfusionists

Practical Sessions:

- Liver Reduction and Splitting – Prof. Muller
- Ischemia-Free Liver Transplantation (IFLT) – Prof. Guo
- Controlled Rewarming Techniques Prof. Porte
