

## **SPLENDID**

### **ON LIVING DONOR KIDNEY TRANSPLANTATION.**

*Innovation and skills can take living donor kidney transplantation to another level*

Place:

**Aula Magna. The school of industrial engineering, Barcelona  
187 Comte d'Urgell Street. Building # 11  
08036 Barcelona, Spain**

Date:

**Thursday, April 16<sup>th</sup>, and Friday, April 17<sup>th</sup>, 2026**

Board directors:           **Dr. Ignacio Revuelta  
Dr. Fritz Diekmann  
Dr. Antonio Alcaraz  
Dr. Mireia Musquera**

SPLENDID Education Committee: **Dr. Ignacio Revuelta  
Dr. Fritz Diekmann  
Dr. Antonio Alcaraz  
Dr. Mireia Musquera  
Dr. Lluís Peri  
Dr. Eduard Palou**

Secretary:                   **Dr. Ignacio Revuelta**

Technical organization:   **Mon Clinic Foundation**

Sponsor:                     **CHIESI ESPAÑA S.A.U**

**SCIENTIFIC PROGRAMME:**

**THURSDAY, April 16<sup>th</sup> - NETWORKING DINNER (formato en restaurante con taller y ponencia con bebidas y seguir con cena)**

**20:30-21:15h Welcome and introduction to the networking dinner**

Dr. Ignacio Revuelta  
Dr. Fritz Diekmann  
Dr. Mireia Musquera

20:30-21:15 **Keynote Lecture. Dr. The immune-related graft endothelium, and the how to implement the translation research into the clinics in a transplant center in France (30min)**

Dr. Alexandre Hertig

**Discussion (15min)**

**FRIDAY, April 17<sup>th</sup>**

**8:45-9:00h Institutional welcome to the SPLENDID course**

Dr. Josep M. Campistol  
Dr. Mireia Musquera  
Dr. Fritz Diekmann  
Dr. Ignacio Revuelta

**9:00-11:00h Surgical innovation, and approaches in the complex decision making (semi live robotic transplantation and surgical complication treatment)**

Chairs: Dr. Lluís Peri  
Dr. Mireia Musquera

09:00-09:25h **Live Semi-live robotic transplantation**  
Dr. Mireia Musquera

09:25-09:50h **Live Semi-live robotic ureteral complication in kidney transplantation**  
Dr. Alejandro Martín Parada

09:50 -10:15h **Semi-live robotic orthotopic kidney transplantation**  
Dr. Francés Vigués

10:15-10:45h **Discussion of complex clinical cases**  
All speakers and chairs with the audience

10:45-11:00h **Final / conclusions of live surgery**  
Dr. Lluís Peri

**11:00-11:30h Coffee break**

**11:30-13:30h Understanding the high-immunology risk patients, and how the new strategies could be implemented**

Chairs: Dr. Fritz Diekmann  
Dr. Alexandre Hertig

Speakers: Dr. Eduard Palou  
Dr. María Meneghini  
Dr. Esther Mancebo  
Dr. Carol Arana

Format: Defining 2-3 scenarios (mentimeter); Lectures of 20 minutes; 25 minutes joint. Final comparing IAgén with the opinion of the panel and the audience

11:30-11:50 **New approach in immunological characterization, focus in the incongruencies.**  
Speaker: Dr. Eduard Palou

11:50-12:10h **Alloreactivity in living donor kidney transplant; and how to face to.**  
Speaker: Dr. María Meneghini

12:10-12:30h **De-listing in living donor.**  
Speaker: Dr. Esther Mancebo

12:30-12:50h **Desensitization strategies in virtual or cellular positive crossmatch.**  
Speaker: Dr. Carolt Arana

12:50-13:20h **Joint discussion focus in the 2-3 scenarios.**  
All speakers, and chairs

13:20-13:30h **Conclusions, mentimeter results, and IAgén perspective.**  
Chairs, and Dr. Revuelta

**13:30-14:15h Lunch Time**

**14:15-15:30h Recurrence in glomerular disease, a contraindication for living donor kidney transplant?**

Chair: **Dr. Ignacio Revuelta**  
**Dr. Enrique Morales**  
Speakers: **Dr. Emilio Rodrigo**  
**Dr. Manuel Macía**

Format: Defining 2-3 scenarios (mentimeter); Lectures of 20 minutes; 25 minutes joint. Final comparing IAgén with the opinion of the panel and the audience

14:15-14:35 **IgA nephropathy; role of the new drugs in living donor kidney transplant.**  
Speaker: Dr. Emilio Rodrigo

14:35-14:55h **FSGS, from the anti-nephrin or other biomarkers to the strategies to prevent post-transplant recurrence.**  
Speaker: Dr. Manuel Macía

14:55-15:20h **Joint discussion focus in the 2-3 scenarios.**  
All speakers, and chairs

15:20-15:30h **Conclusions, mentimeter results, and IAgén perspective.**  
Chairs, and Dr. Revuelta

**15:30-16:55h Diabetic and obese living donor, the new drugs and surgical approaches should make us change our acceptance criteria?**

Chair: **Dr. Edoardo Melilli**  
**Dr. Anna Vila**  
Speakers: **Dr. Carme Facundo**  
**Dr. Eva Gavela**  
**Dr. Pilar Fraile**  
**Dr. Albert Francés**

Format: Defining 2-3 scenarios (mentimeter); Lectures of 20 minutes; 25 minutes joint. Final comparing IAgén with the opinion of the panel and the audience

15:30-15:45 **Changing profile of Living Donors with metabolic disorders**

**Speaker: Dr. Carmen Facundo**

15:45-16:00 **Diabetic donor candidates; impact of the iSLGT2, etc... in the risk of nephropathy**  
**Speaker: Dr. Eva Gavela**

16:00-16:15h **iGLP1 and obesity, changing the paradigm for the obese candidates?**  
**Speaker: Dr. Pilar Fraile**

16:15-16:30h **Living donor nephrectomy in high BMI patient, rethinking the limits?**  
**Speaker: Dr. Albert Francés**

16:30 -16:50h **Joint discussion focus in the 2-3 scenarios.**  
**All speakers, and chairs**

16:50-16:55h **Conclusions, mentimeter results, and IAgén perspective.**  
**Chairs, and Dr. Revuelta**

**16:55-17:00** **Conclusions, and take-home messages.**  
**Dr. Fritz Diekmann**  
**Dr. Ignacio Revuelta**

**Registration:** <https://www.aulaclinic.com/cursos/view.php?ID=1443>

**Attendance at the entire course is mandatory**

**DIRECTORS, SPEAKERS, and CHAIRS (in alphabetical order):****Dr. Antonio Alcaraz**

Urology and Kidney Transplant Department  
Clínica University Hospital, Barcelona

**Dr. Carolt Arana**

Nephrology and Kidney Transplant Department  
Clínica University Hospital, Barcelona

**Dr. Josep M. Campistol**

CEO  
Clínica University Hospital, Barcelona

**Dr. Fritz Diekmann**

Nephrology and Kidney Transplant Department  
Clínica University Hospital, Barcelona

**Dr. Carme Facundo**

Nephrology and Kidney Transplant Department  
Puigvert Foundation, Barcelona

**Dr. Pilar Fraile**

Nephrology and Kidney Transplant Department  
University Hospital of Salamanca, Salamanca

**Dr. Albert Francés**

Urology Department  
Del Mar University Hospital, Barcelona

**Dr. Eva Gavela**

Nephrology and Kidney Transplant Department  
Doctor Peset University Hospital, Valencia

**Dr. Alexandre Hertig**

Nephrology and Kidney Transplant Department  
Hopital Foch, Paris

**Dr. Manuel Macía**

Nephrology and Kidney Transplant Department  
Nuestra Señora de Candelaria University Hospital, Santa Cruz de Tenerife

**Dr. Esther Mancebo**

Immunology Department  
12 de Octubre University Hospital, Madrid

**Dr. Alejandro Martín Parada**

Urology Department  
University Hospital of Salamanca, Salamanca

**Dr. Edoardo Melilli**

Nephrology and Kidney Transplant Department  
Bellvitge University Hospital, Barcelona

**Dr. María Menehghini**

Nephrology and Kidney Transplant Department  
Vall d'Hebrón University Hospital, Barcelona

**Dr. Enrique Morales**

Nephrology and Kidney Transplant Department  
12 de Octubre University Hospital, Madrid

**Dr. Mireia Musquera**

Urology and Kidney Transplant Department  
University Hospital Clínic, Barcelona

**Dr. Eduard Palou**

Immunology Department  
University Hospital Clínic, Barcelona

**Dr. Lluís Peri**

Urology and Kidney Transplant Department  
University Hospital Clínic, Barcelona

**Dr. Ignacio Revuelta**

Nephrology and Kidney Transplant Department  
University Hospital Clínic Barcelona

**Dr. Emilio Rodrigo**

Nephrology and Kidney Transplant Department  
Marqués de Valdecillas University Hospital, Santander

**Dr. Francés Vigués**

Urology Department  
Bellvitge University Hospital, Barcelona

**Dr. Anna Vila**

Nephrology and Kidney Transplant Department  
University Germans Trias I Pujol Hospital, Badalona
